Animal Inn Training School

Animal Inn Training School is located in Lake Elmo, Minnesota. We have been teaching people to train their dogs for over 30 years.

We offer beginners obedience and puppy kindergarten classes as well as classes in almost all of the performance activities including conformation, agility, competitive obedience and rally obedience.

We may have been at this for over 30 years but that doesn't mean we are using the same methods that were in use 25-30 years ago. Dog training has evolved a lot over the years and so have we. We believe our programs combine the best of all the philosophies. You will build a better relationship with your dog and build friendships with your fellow students. The results will be an obedient, well-behaved and, if you choose, a prepared performance dog.

We welcome anyone interested in attending a class at Animal Inn Training School to first come on out and observe a week or two of the class that you are interested in attending. You can see the results and the fun for yourself.

Division 16 is comprised of: Illinois, Michigan, Minnesota, & Wisconsin

For complete Conformation Championship requirements see Chapter 16 of the Rules Applying to Dog Shows.

The Points toward a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that completed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that completed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

Animals have spinal columns similar to humans, and they can develop misalignments just like us. Called subluxations, these misalignments can cause a variety of symptoms, just as they do in people.

Chiropractic adjustments are very gentle and painless. They simply relieve pressure and interference from the brainstem, spinal cord, and nerves. In turn, this allows the body to heal itself and experience optimum health.

Chiropractic care may be an appropriate treatment for:

- Neck, back, leg, and tail pain
 - Muscle spasms, nerve problems
 - Disc problems, joint problems, limping
 - Injuries from slips, falls, and accidents
 - Jaw problems, difficulty chewing
 - Event or sport injuries
 - Post-surgical care
 - Bowel, bladder, and internal disorders
 - Maintenance of joint and spinal health
- and many other health issues*
